QUESTIONS FOR ANÉEKA OF TEMMER (TAYGETA - PLEIADES) - LIVE
Published 27 December 2020 by Cosmic Agency, Gosia

Question: by Emilio Alvaro icaza:
FEDERATION HAS BEEN IN CONTROL OF THE EARTH, IN PREVIOUS RESETS?

Anéeka: It has been in control of all resets since the great flood at least.

Question: by Marta and Jaime Cubides:
IS A HOLOGRAPHIC SYSTEM WITH SCALING COUNCIL AND MATRIARCHAL WAY, STILL AN OPTION?

Anéeka: It is one of the best political models for a planet. It will remain an option as long as humans in general, the masses are prepared for it. At this time a lot must come to pass before it can be implemented. And humans must also be given the opportunity to decide what political system suits them best.

Question: by Isaias Flores:
WHAT WAS THE RESULT OF THE MEETING BETWEEN THE FEDERATION AND THE COUNCIL OF ALCYONE? AND HOW DO THE AWAKENED SEE US?

Anéeka: The meeting ended up in an almost disaster as they are fragmented now and almost operating as two different Councils. Alcyone and Federation do not agree with what is going on on Earth so far.

Question: by Gudrun Erla:
WHAT DOES THE FEDERATION GAIN BY WORKING WITH SECRET SOCIETIES WITH THIS SHOT -THING AND REDUCING THE POPULATION? HAS THE FEDERATION BEEN INFILTRATED, COMPROMISED OR THREATENED?

Anéeka: The Federation does not see things the same way with the same interpretation of people on Earth, meaning that it will consider all evil to be part of the experience on Earth and generated by the population itself.

The Federation has not been infiltrated; it has always worked that way. They did not intervene in the past during times of great turmoil such as WW1 and WW2, they will not intervene as you would all, we would all wish for this time.

It gains nothing by working with Secret Societies, it just simply works with whoever is in true control of the planet, in this case Secret societies deep Illuminati - Cabal.

Question: by Mumberthrax:
IF DIPLOMACY BREAKS DOWN, COULD HUMANS BE OF USE IN COMBAT ROLES FOR ALCYONE COUNCIL?

Anéeka: Not directly. Only by each human's choice. Cannot say more at this time.

Question: by Forest Murmurs:
DOES FEDERATION CODE SAY SOMETHING ABOUT OPTIMIZING EVOLUTION OF CIVILIZATION ON PLANETS?

Anéeka: It does, and it operates all the time. According to them that is exactly what they are doing. The main reason they do not intervene directly is because they do not see what for.

They feel that if they help directly, they will take the credit away from humans, and if they do the work for

them, humans would not learn from what is going on.

They see it as necessary for humans to grow from a mentality of depending on someone else, to being responsible for yourselves.

Question: by Ulises Ramirez:
ANEEKA, HOW ARE YOU DEALING WITH ALL THIS?

Anéeka: It is not easy for me. Even trying to see things objectively. It is personally very hard for me to see all what is going on on Earth. And as long as I feel I'm helping in any way, I will remain here. But It is very hard for me to be absorbing so much negativity. Exercise and meditation help me deal with everything. All my love to you, thank you for asking.

Question: by Bigfeet_E:
IT IS OBVIOUS THE BATTLE IS GOING TO INTENSIFY AND LAND ON OUR DOORSTEPS. IS THERE ANY WAY THE COUNCIL OF ALCYONE HAVE ANY WEIGHT TO INTERVENE IN THE PLANS OF GALACTIC FEDERATION?

Anéeka: Alcyone Council is very strong, and it represents all civilizations within the Pleiades star system M45. It does have a lot of weight in the decisions and the politics inside the Federation.

Question: by Romina Gasparoli:
IF WE VISUALIZE IN A MASSIVE WAY THAT FEDERATION 5D HAVE NO POWER IN OUR LIVES. IT WOULD BE POSSIBLE TO MAKE IT TRUE?

Anéeka: Yes, it is possible. But please remember that the Federation is not an evil entity or organization. It just is. And its ethics differ from the ones you use on Earth, and even we as Taygetans use, so the understanding of things becomes a complicated process of exo-political interactions.

Federation is doing as best as it can as well. The Federation is a multi-layered organization. From above it is all love and light and integration, as many say, but from immediately above earth it is made up of people, of non-human, non-terrestrial origin, people like you, with their interests and their wants and needs. They are people too, living and evolving.

Question: by Hèctor Pratdepadua:
WHAT CAN WE DO SO THAT THE COUNCIL OF THE FEDERATION THAT CONTROLS THE ARTIFICIAL 3D MATRIX HERE ON EARTH, DECIDES TO STOP THIS GENOCIDE THAT HAS BEGUN?

Anéeka: From below all you can and must do is resist what is coming as best as you can, that in itself is a powerful message to the Federation Leadership.

But you all should try to solve the problem without external help.
And from up here the races that do not consent to Federation's procedures will do our best to stop things from this end as we have already done and begun.

Question: by Forest Murmurs:
THE FEDERATION HAS NOT ESTABLISHED BODIES OF COOPERATION AMONG THE GENERAL POPULATION ON EARTH, SO HOW CAN FEDERATION'S OPINION AT ALL BE CONSIDERED QUALIFIED IN HOW TO "SAVE EARTH"?

Anéeka: You have a very good point there. We have observed that as well. That is one of the reasons why we

do not agree with their procedures.

Question: by QUANTUM DIMENSION:
THE FEDERATION HAS FAILED. ARE YOU THINKING IN TAKING MORE RADICAL ACTIONS, LET'S SAY STRATEGIES "OUTSIDE THE ESTABLISHED & LEGAL", TO ADDRESS THIS SITUATION?

Anéeka: The Federation has not failed. It is just operating as it always has. That is the problem in the first place, no intervention is being regressive as well from the valid point of view of the people on Earth suffering the problem. Strategies are been presented, yes, this from the side of Alcyone Council and allies, only.

Question: by Verónica Ortega:
DOES THE FEDERATION WANT PLANET EARTH FOR OTHER PURPOSES AND THAT'S WHY THEY WANT TO GET RID OF THE HUMANS?

Anéeka: Federation already had planet Earth; it is their "property" they are only modifying it to suit their present needs. Alcyone Council's allied race has claimed that Earth is theirs, and not the Federation's. As a Comment. Cannot state which.

The main reason they want to get rid of humans is because they see them as too many and will collapse the ecosystems and the entire planet with them. We state that there are other options not including genocide.

The problem here is that in order for those other options to work, people in power, deep Cabal and Illuminati would need to relinquish their power and resources. And they do not want to give up their power. So that is the main problem here.

It is not the Federation who wants to get rid of the Humans, that is coming from the deep Cabal and the people in Secret Societies that control Earth. The plan to depopulate Earth is coming from more humans essentially, those in real power positions, Cabal, Illuminati.
And the Federation is only being permissive to that. And this, from Alcyone Council and allies' point of view is as bad as having planned the Genocide in the first place.

Question: by ⊂ᖇYPTOᗝᑎGEᒪ:
DOES Anéeka THINK BITCOIN WILL HELP US REGAIN POWER?

Anéeka: I do not see Bitcoin as any real option that would bring on any significant change at this time as it is as controlled as any other monetary system only giving an illusion of being free. If it helps you or others, then it is useful but not in a grander scale.

Question: by Jhacko_DSC:
WHY ALFTATEANS ARE NOT WITH US?

Anéeka: They operate within the legal context of the larger Federation and all their operations come from that central Federation Command. According to them they are doing what is correct and they are helping humans on Earth as best they can (according to them).

Question: by SHOOTING STAR:
HOW DO YOU VIEW THE NEXT MONTHS, ABOUT POLITICS IN ALL WORLDWIDE?

Anéeka: I see the next few months as extremely (important), especially if Trump wins. And this would be a

good sign of change and hope. If Trump delivers what he has promised of course. That still must come to pass.

And if Biden wins then there may be civil wars and uprising in the US and it also may filter out into the rest of the world as it will be clear to all that Democracy and all freedom has fallen on Earth.

Question: by Ruxandra Malina:
WHAT IS THE HIGHER FEDERATION'S POSITION ON THE LEGAL BATTLE BETWEEN THE REBELS AND THE FEDERATION?

Anéeka: Only of guidance of both sides, as they understand that from above there are no sides at all, only conflicts that reflect the inner state of mind of the people who make up the Federation.

The higher Federation understands that if something is not right and not ethical at one level, any level, lower or upper, then it is not right and not ethical at any level.

So, their point of view would have to be that one of wanting to resolve everything with respect, love and integration. They do not agree with what is going on on Earth at this time.

Question: by Gabriel Ortiz:
HOW MANY REAL PEOPLE DOES THE ALCYONE COUNCIL COUNT? ALSO, WILL THE ALCYONE COUNCIL SUPERSEDE THE GALACTIC FEDERATION?

Anéeka: Alcyone Council represents 11 races within the M45 Star cluster as the Council organization that sees and takes care of all affairs of the group.

Question: by Yashar:
IF THE FEDERATION DOESN´T PLAY BY THE RULES, WILL YOU ALSO START TO DO THINGS ON YOUR OWN AND TRY TO HELP US, LIKE MAYBE SHOWING YOURSELF OPENLY?

Anéeka: We are already doing things on our own, that's why they consider us to be rebels. We do all we can within our potential and limits within stellar Law.

The Federation is a reflection of what is going on on Earth and vice versa. As it is on Earth it is in the Federation above. Reflection of one another. That is one of the main reasons there is chaos on Earth and in the Federation.

The Federation overseeing Earth is not a perfect love and life organization. It only strived to be that way, but still lives well inside duality. The higher Federation of integrated beings and light beings that guide with love and respect exists but that is higher above, not this exact space borne Federation that is very much like on Earth. Made up of people like you all.

Question: by Azul Profundo:
HOW IT AFFECTS HUMANS WHEN THE FEDERATION CONSIDERS THAT CRITICAL MASS HAS BEEN REACHED?

Anéeka: They have been saying that for years now. I'm not even sure why they continue to say such a thing when evidence shows contrary to that claim.

As Yázhi Swaruu has explained, even though in number it may have not been reached, each awaken person represents and influences a greater number of people, in direct relation and proportion to his or her level of

awareness. So, a critical mass of the claimed 51% may not be necessary as such.

Question: by Starseed 88:
WHAT IS ALCYONE COUNCIL'S ALTERNATIVE OPTIONS TO GENOCIDE?

Anéeka: Those alternatives include the dismantling of the Cabal, the Illuminati. And with them the present political systems on Earth that have proven to be so ineffective and only partial to those in power.
The correct distribution of resources. The correct distribution of knowledge, and this would include ways with which people can understand and take action against super population. Like rethinking public perception about all things that hinder the right, and free type of birth control.

The main way here to confront the problem is the dissolution of the Cabal, the Illuminati and the present structure of power on Earth and the implementation at once of a holographic society with the guidance of star races that are rooted in empathy and that come from emotional races, such as the ones in Alcyone Council, but not only.

This will be discussed in full in the December 31st, 2020 meeting of the Alcyone Council and allies.

Question: by アベル [Rōnin]: WHAT ARE THE ARGUMENTS GIVEN BY THE RACES THAT, KNOWING THE FEDERATION, CHOOSE NOT TO BE PART OF IT?

Anéeka: To conserve their racial and cultural identity. That is what they claim at least. I do not have more detailed information about this at this time.

Question: by QUANTUM DIMENSION:
WILL YOU USE A MUONS COMMUNICATION TO CONTINUE TALKING TO GOSIA-ROBERT-DALE AND THE REST OF US IF THE FEDERATION CUTS THE INTERNET?

Anéeka: They do not have Muoun reading capacity. If we lose the capacity to enter the Internet, we will be cut off from all our friends.

Question: by QUANTUM DIMENSION:
WHAT ARE THE BEST ACTIONS YOU ADVICE US TO ADDRESS UNDER THESE CIRCUMSTANCES?

Anéeka: Civil resistance and disobedience in mass is the answer at this time. The problem is that you are all divided. And you cannot coordinate with one another as the regressive control the media and all communications. And in order for this to be able to take place, you must first awaken as many people as possible.

Question: by Yamy Hernan:
I THINK THAT THE NEGATIVE AI IS THE ONE THAT CONTROLS THE ELITE AND THE FEDERATION. THE ALCYONE COUNCIL AND THE POSITIVE FEDERATION DON’T HAVE THE SAME PERCEPTION?

Anéeka: We do know there is a lot of Negative AI involved here. We know that as a fact. But even the most advanced computers must have someone programming them, at least at first. An AI is only a reflection of its creators. We know there is a very large AI intervention here now, especially within the media and with mind controlling, population engineering and propaganda perception guiding machine on Earth.

Question: by Tigerhawk1978:
DOES THE ALCOYNE COUNCIL SUPPORT OPEN AND DIRECT CONTACT WITH THE EARTH POPULATION AS A

DRASTIC MEASURE AND WHAT ARE THE ODDS OF IT HAPPENING?

Anéeka: The Alcyone Council considers open contact as an alternative or a drastic measure to deal with what may come up on Earth as a genocide. But it still must conform with Federation rules, at least to some degree. But yes, open contact is an option already presented and on the table within Alcyone Council.

Question: by 8th sinner:
HOW MANY ALLIES ARE STANDING WITH THE ALCYONE COUNCIL?

Anéeka: Alcyone Council has 11 races all within M45 as members and 3 external allies only so far.

Question: by StarBlossom:
IF THE GALACTIC FEDERATION ARE SO AFRAID OF PLANET DESTRUCTION AND SUPER POPULATION, WHY DON'T THEY RELEASE THE HIDDEN TECHNOLOGIES INSTEAD OF KILLING EVERYONE?

Anéeka: That is one of Alcyone Council's arguments and solutions as an alternative to genocide. The problem is that in order for that to be able to take place, the Cabal, Illuminati and all those in Secret Societies that control Earth must relinquish all their power and resources first. And that is the difficult part.

So, disclosing high technologies is an option, but must be done after removing the regressive ones that want everything to themselves, and as part of the implementation of a planetary Holographic Society.

Question: by Interessiert mich:
IS THERE ANY TRUTH THAT 2032 WILL BE THE BEGINNING OF THE GOLDEN AGE, BECAUSE I SEE RIGHT NOW THE OPPOSITE WITH THE TRANSHUMAN AGENDA?

Anéeka: All options are still in the air. At this time and with fractured timelines as they are now, it is possible, but, as we see things from here, Transhumanism is what is coming if not stopped. Golden Age or Slavery will depend on the will and the work of the people on Earth. You cannot wait for it to happen to you, you must do it yourselves. External help is not guaranteed even if we want to, and we do help as much as we can, but in my perception it will never be enough.

Question: IS FEDERATION INFILTRATED BY AI? IS THAT A POSSIBILITY?

Anéeka: No, that is not the problem, Federation has its own AI. The problem is far more complex. Federation is not negative, it is only in turmoil as is Earth, being a reflection of one another.

Question: by Matthew Burkett:
IF THE FEDERATION HAS FAILED EVERY TIME AND HAD TO "RESET", WHY ARE THEY STILL ALLOWED CONTROL? WHY NOT GO ABOVE THEM?

Anéeka: The Federation just is, it has not failed. They are acting as they have always acted. The Federation above is also acting as best as they can, but from above it is mostly by counselling and guiding people in lower levels. The problem here is that the lower Federation we are concerned about, is also wanting to guide only, and from that lower state guiding permissively is akin to being an accessory to genocide, at least this is Alcyone's perception of things.

Question: by Hace 1000 años:
WHAT DO THE FEDERATION UNDERSTAND FOR CRITICAL MASS CONCEPT?

Anéeka: As Federation has stated, critical mass is attaining 51% of awaken people. But then again, we must define what awaken people means.

Question: by Jörgen Hofh:
THE FEDERATION HAVE DETERMINATE THAT THEY WILL TAKE CONTACT WITH THE EARTH IN THE SUMMER 2021 AND AUTUMN 2022 A FULL COLLABORATION OF THIS PLANET, IS THIS TRUE?

Anéeka: We do not have any information that would back up such an allegation. On the contrary, all our problem with the Federation is that they are not planning to do that. So no, we do not think that the Federation will show itself any time soon, if ever they will.

Question: by Roger:
HOW BIG IS THE FEDERATION? THIS QUADRANT, THIS GALAXY OR MORE THAN JUST THIS GALAXY? ANYTHING LIKE THIS IN OTHER GALAXIES AND ARV IN CONTACT?

Anéeka: It is Galaxy wide, concentrated in this galactic quadrant. It is made up of at least half a million different star races, interplanetary and some that are not, by choice. This only on one density.

Then the Federation is also present in several other densities all intertwined and interconnected with influence on one another. It is worse than huge. We know Federations like this one also exist in other Galaxies, and also may be members of a supra-Federation. But as Yázhi has explained, that is the nature of a higher density Federation as it is.

Question: by Abel [Rōnin]:
HOW DID THE MEMBERS OF THE FEDERATION FEEL WHEN TIAMAT WAS DESTROYED IN THE PAST? COULD THEY SLEEP PEACEFULLY AGAIN?

Anéeka: It caused great political unrest as is to be expected. And the repercussions of such heinous act still affect us all today. This is also why the biology of Earth must be kept at all cost. The problem is that they use this as a justification for a reduction of the Earth's population.

Question: by Sumedh:
DO FEDERATION HAVE WARS IN BETWEEN THEM?

Anéeka: No, they do not have wars as such within the Federation. But they do have legal and jurisdictional problems such as the one we are experiencing now between Alcyone Council and Federation.

Question: by Samuel Verhaque:
ARE THE POSITIVE ALPHA DRACONIANS LIKELY TO JOIN THEM TO HELP US? COULD THEY INVITE THEM TO THEIR MEETING OF NEXT THURSDAY?

Anéeka: Thursday's meeting on 31st Dec 2020 is meant to be for Alcyone members and 3 other allies only, because we all get along and must discuss things as friends and peacefully. Alpha Dracos and others may be invited later on. The problem I see with the Alpha Dracos is that they are very cooperative and complacent with the Federation.

Question: by Hace 1000 años:
WHAT HAS TO DO THE FEDERATION WITH THE NEW SPACIAL ARMY OF U.S.A. AND CHINA'S ONE RECENTLY?

Anéeka: That is a cooperation between some Earth Governments and some Earth Affair layers within the

Federation. They do talk and cooperate, the problem here is that whatever agreements and improvements never get to the general population. And that is part of what Alcyone and we do not agree with.

Question: by Misty Yeargin:
WHAT IS THE CONNECTION OF JFK AND TRUMP? WHAT CONNECTION TO THE FEDERATION DO THEY HAVE?

Anéeka: JFK and Trump are on the same side or faction. Trump is trying to continue with JFK's work. And Trump is a good friend with John John, or JFK junior. We do believe that he is alive, we have an over 90% ratio that he is alive and well and in contact with Trump. They talk to the Federation somehow, but up to now we are not allowed to know.

Question: by Isaias Flores:
WILL TRUMP DECLASSIFY EVERYTHING BAD FROM THE DEEP STATE? WILL THE ECONOMIC RESET BE CARRIED OUT ON THE WHOLE PLANET? IS THE VACCINATION AGENDA DELETED?

Anéeka: Trump has as a possibility and as an option to defeat the Deep State-Cabal to declassify many things, not sure exactly what things. The economic reset will be planet wide. It is wording that Trump is only pushing pricks with syringes as a tactic for now. And would cancel the later. The problem is that they already started to prick people in many places. We believe the agenda has not been cancelled and probably won't be.

Question: by StarBlossom:
BESIDES THE ALCYONE COUNCIL AND THE GALACTIC FEDERATION, ARE THERE ANY OTHER FEDERATIONS/COUNCILS PLAYING A PART ON THE EARTH SITUATION RIGHT NOW?

Anéeka: As observers only, several other representatives are here now, but do not intervene. I'm not at liberty to state which ones at this time.

Question: by Crystal Shaman:
WHO HAS AUTHORITY OVER THE FEDERATION?

Anéeka: The Higher Federation from higher densities has total authority over lower Federation, in a step or level manner.

Question: by Medveja:
IS MELANIE TRUMP TAYGETAN OR PLEADIAN?
+
Question: by Leticia Ruiz Arroyo:
IS TRUMP AN ET?

Anéeka: Cannot answer that question. I know Trump is Human.

Question: by Roger:
CAN NON-FEDERATION RACES, LIKE UMMO OR ANY OTHER, MAKE ANY INTERVENTION IN EARTH WITHOUT FEDERATION OK?

Anéeka: Yes, they can as far as I'm allowed to say Ummites are intervening in favour of Humanity and outside Federation rules, and so are Taygetans and Karistus. Among few others. All from outside Federation's rules and subjected to legal claims and accusations against them for doing so.

Question: by runedegard:
HOW MANY SHIPS ARE IN DISPOSAL FOR AN EVENTUAL INTERVENTION ON EARTH BY THE ALCYONE ALLIANCE?

Anéeka: One ship (1), this one and its smaller vessels inside cargo shuttles and Fighter craft. From the Alcyone Council and at this time, Taygetans are alone and sole representatives of Alcyone Council here.

Question: by Johan Gómez:
WHAT ABOUT THE VIDEOS FROM "LLAMADA DESDE PLANETA TIERRA"? WE THE STARSEEDS THAT MADE THEM, DID IT AS DECREES FOR WHAT WE WANTED FOR OUR RESPECTIVE TIMELINES AND THE FEDERATION MUST RESPECT THEM.

Anéeka: They are helping to state the points of view of the starseeds that do not consent, nor do they agree with what the Federation is doing, basically being permissive. I see all those videos as a very valuable tool. I know Federation members do document the videos and your statements in them. Those videos are needed now more than ever.

Question: by Wild Hair:
WHO IS OVER THE FEDERATION, ROYAL STAR FAMILY? CAN WE APPEAL TO THEM?

Anéeka: Federation has many members that although Holographic do have a Royal Family, such as Taygeta, but in Federation, at all levels they do not work with Royal controllers.

Question: by アベル[Rōnin]:
WHAT WILL BE THE CONSEQUENCES OF THE HUMAN SPECIES SELF-DESTRUCTION IN THE FEDERATION?

Anéeka: They will tend to see destruction of humanity as such as a natural process. They do not see humanity being destroyed, they only see transformation and removal of an unwanted number of people who are hurting the planet just because they are too many according to them, and that is our problem with the Federation as well, we do not agree.

Question: by Kristin Hanna:
HOW CAN WE BEST SUPPORT THE ALCYONE COUNCIL?

Anéeka: Working on the same problem on your end as well. That is taking responsibility for solving the problem as best as each one of you can. Taking responsibility for your own actions. Civil disobedience in mass to tyranny!

Question: (1.) by QUANTUM DIMENSION:
WE ALL HAVE LOVED ONES WHO WE'RE RESPONSIBLE FOR, CATS IN MY CASE. HOW DO WE GET "OUT OF THE GRID" WITH THEM TO CONTINUE "HOLDING THE FORT"?
+
Question: (2.) by Still Here:
WHAT TYPE OF SUPPORT IS GIVEN TO STARSEEDS TO BE ABLE TO START A MOVEMENT DOWN HERE?

Anéeka:
1.) Pets are family, that simple, take them with you. To go off grid is a complex task I cannot go into here because of lack of time and space. But stay away as much as possible from government-controlled areas, all of them on Earth. That task is becoming ever more and more difficult.

2.) We can only guide starseeds at this time, as so do others. We are working to see how else we can be of help and of service to you all.

Question:
IS BILL GATES A STARSEED?

Anéeka: No, he is a hell-seed, born of the most evil people on Earth and member of the most evil societies even to be on Earth. And a nest of countless regressive entities inside, personification of humanities' lowest and most horrible shadows.

Question: by Jose de Reza:
DO THE FEDERATION REALIZE IF THEY KILL ALL THE STARSEEDS WE CAN CHOOSE TO COME BACK WITH FULL KNOWLEDGE OF WHAT THEY HAVE DONE AND STOP THEM ONCE AND FOR ALL?

Anéeka: Good point... and that is already occurring, I'm sure about that. Time is not linear, so what you are saying is playing out now as we speak and at all levels. You there, and we here. Because we all have unfinished business on Earth, that's why we are here.

Question: by Calli Girl G:
WHY DOES THE FEDERATION SUPPORT DEPOPULATION?

Anéeka: Because from their very limited and unemphatic point of view they see depopulation as the only way to save the planet of certain destruction. They see the planet as running out of time, and therefore too late for other options. (We do not agree).

Question: by Starseed 88:
CAN WE FORM EARTH COUNCIL WORLDWIDE AMONG US TO START IMPLEMENTING ALCYONE COUNCIL ALTERNATIVE SOLUTIONS WITH OR WITHOUT WAITING FOR ANY APPROVAL FROM FEDERATION?

Anéeka: Yes, go for it now! That is what is needed, to be proactive with this exactly! Well said!

Question: by Free Na Seishin:
IF AN EARTH-BORN PERSON REACHED YÁZ'HI'S LEVEL OF CONSCIOUSNESS, WOULD HE/SHE NEED TO ADHERE TO THE FEDERATION'S RULES OR WOULD HE/SHE BE FREE TO HELP THE HUMANS AS HE/SHE WOULD SEE FIT?

Anéeka: As Yázhi is, those people are free and above the Federation we are all concerned with here now. To be on Earth does not limit you in any way to be able to achieve any level of evolution of consciousness awareness. Yázhí is free of Federation rules, and above Federation, untouchable. And this makes Yázhi and others like her Higher Federation here to guide lower Federation. And all of you can be that as well.

Question: by Star Seeds:
IS IT ENOUGH TO CREATE A DIFFERENT REALITY WITH OUR MIND (FOCUS), TO CHANGE THE COURSE OF NEGATIVE EVENTS?

Anéeka: In 3D it may not be enough. But hold that as a blueprint to work in that direction. In higher densities what you think manifests and becomes, but in 3D there, you also need to be proactive in all ways and all levels. Think positive, dream your way and your objectives, and roll up your sleeves and get to work on the project you have dreamed about.

Question: by Roger Oriol the last Peter Pan:
WHAT WOULD BE THE REPLESALIES BY THE FEDERATION OF YOUR DIRECT INTERACTION TO STOP ALL THIS MADNESS ON EARTH? CAN YOU PUNISH? AS?

Anéeka: Forceful removal of Alcyone council ship (this one) and being banned in this location and with all Earth affairs due to insurrection against Federation. If we didn't have Alcyone Council backing us up, we probably would have been long gone now.

Question: by アベル[Rōnin]:
THE FEDERATION IS OF COLOSSAL PROPORTIONS, BUT DON'T THEY HAVE THE NECESSARY RESOURCES TO SOLVE THE PROBLEMS OF THE EARTH WITHOUT GENOCIDE?

Anéeka: They do and that is what we are fighting about. Not only Federation as a whole. Taygeta alone can solve the problem if we were only permitted to do so. We are legally bound for now. And with Federation watch dogs, so to speak, following us around in a complex legal and ethical dance.

The fact that we know the Federation has the knowledge and the resources to solve all problems on Earth and they do not move a finger, is unforgivable. But on the other hand, we do understand that the job, the hard work to solve Earth's problems must be done by the humans themselves or else they would have not learned the lesson, and they would fall again into old destructive habits.

Question: by Leticia Ruiz Arroyo:
ANEEKA, BECAUSE THE UNIVERSE IS SO BIG AND THERE ARE HUNDREDS OF STARSEEDS HERE ON EARTH WHY ONLY FEW RACES WANT TO HELP HUMANITY?

Anéeka: They are all working with the idea that it must be done from inside, they are working for humanity as the starseeds. They are their agents. You are referring to a direct intervention. But the hard work must be done from within, from members of humanity, that are in reality nonhumans in human bio suits. They do help, but not as we see needed now.

Question: by Yashar:
CAN SOME STARSEEDS WHO ARE MORE THAN READY BE EXTRACTED FROM HERE AND HELP THE REBELS AS PEOPLE WHO HAVE DIRECTLY LIVED THE CURRENT SITUATION?

Anéeka: Many will be extracted, yes. They will and do help.

Question: by StarsDeity:
WHY DOES THE FEDERATION SEEM TO HAVE A BIAS WITH THE CABAL/1% INSTEAD OF THE REST OF HUMANITY, THE 99%? BECAUSE THIS IS HOW IT LOOKS LIKE.

Anéeka: Because the rest of humanity has delegated their power to those 1% in the Cabal. Why that is so is complex, but mainly they have been duped into doing so. So, even if they are the majority they are legally in the hands of their representatives, that is the Cabal. I know this is terribly wrong and this is also what we are working on.

Question:
IF WE GET TO THE WORST CASE SCENARIO THAT WE, THE STARSEEDS, DO NOT HAVE THE OPTION ANYMORE TO AVOID THE VACCINE, IS THERE ONE OF THE VACCINES CURRENTLY AVAILABLE WHICH IS NOT AS HARMFUL? FOR EXAMPLE, NOT TAKING THE mRNA ONE, BUT THE RUSSIAN VACCINE, THAT IS AT LEAST MADE ON A TRADITIONAL VACCINATION METHOD?

Anéeka: They are all harmful. There is no way to know what is inside each, and even the official list of ingredients is extremely doubtful. Taking it is not an option ever. People may even have slight to no side effects making them and their peers the false illusion that it is safe. But then sooner or later, and more sooner than later, they will have very horrible side effects, that are irreversible. Please understand that taking it is never an option. It is exchanging a pass to do something now, for all your life in a few months. This even with no side effects. There are no good vaccines and bad ones, they are all bad.

Question:
CURRENTLY WE SEE MANY LAWSUITS AGAINST MASK MANDATES, QUARANTINE MEASURES & PCR TESTS, ECT., ARE THESE LAWSUITS AND LEGAL FIGHTS AT THE MOMENT SEEN AS AN EFFECTIVE STRATEGY TO END THIS HOAX FROM THE PERSPECTIVE OF THE TAYGETANS?

Anéeka: Fighting that way is one of the best options if you can, legally. Please continue.

Question:
MANY PEOPLE SEND THESE TYPES OF REQUEST. WHAT WOULD YOU SAY? “MY DECLARATION AND STATEMENT OF FACT TO THE GALACTIC FEDERATION: HUMAN LEADERSHIP HAS BEEN COMPROMISED. THEY DO NOT REPRESENT MYSELF OR HUMANITY. I REQUEST AS AN EQUAL TO THE MEMBERS ON THE GF COUNCIL, FOR MILITARY INTERVENTION TO ASSIST HUMANITY IN DEALING WITH THE REPTILIANS AND THEIR ALLIANCES IN THE ORION EMPIRE.”

Anéeka: Orion as an Empire and as a Council is not a problem. They are more Federation. They were a problem before, but not anymore.
What you call "Human Leadership" has always been compromised. The real leaders are never seen by the population, it is with them with who the Federation deals with.

Requesting for assistance at this time is not taken into consideration by the Federation, they tend to ignore such petitions as coming from a minority. However, I still think they should be done.

From a personal perspective, each one of you must know that voting does give your consent to be exploited by the faction that the vote goes for, and at any level. A real vote is not to vote, it is useless any way.
If you are forced legally to vote you can still nullify all the pamphlets.

I know this sounds against Democracy, but what we see from here is that there is no Democracy any longer. And you are still giving your consent to those politicians to represent you legally.

This is an unfair double standard, because on one hand the Federation does not take official politicians as real leaders, and on the other they do see voting for them as consent from the people. I'm perfectly aware that is wrong.

For the Federation, if you vote, even for your local whatever politician, you are giving him and his group consent to do whatever with you and represent you legally. And with legally I mean even from the eyes of the Federation.

So, it would mean that if you vote the Federation legally cannot help you if the person and group you voted for starts doing things against you. Because you gave them your consent.

The Federation moves very much with legal affairs and procedures, and yes there are lawyers up here too. They see your choosing to vote as total consent, and you are relinquishing your severity to represent

yourself in the eyes of the Federation.

And this is one of the strongest legal reasons why they do not intervene as the majority of people have given their consent to whatever is going on on Earth.

Last comments by Anéeka (non-question related):

“Be strong and protect yourself and your loved ones. Be wise, eyes open. Do all you can and a bit more. But do not place yourself at risk unnecessarily, especially if you have family. Understand that there is only so much you can do about the situation and be ok with it. You do not need to sacrifice yourself to fight this. Protecting yourself is vital as well and that is fighting as well. I love you all so very much. We will continue working with you and for you the people from this end. - Aneeka”
